Capital Campaign Church Repairs

As you have probably noticed our Church is experiencing quite a bit of water damage. The Sanctuary building and the Education building both need repairs. We have water damage from the roof, windows, brick/mortar, and poor drainage. We have to stop the leaks, repair the plaster walls, and paint. A contractor has inspected both buildings, made recommendations, and given us a bid. This is the same contractor who did a major renovation to the Methodist Church. The bid from the contractor to make the repairs to our church buildings is \$68,000.

We are starting a capital campaign to raise the funds from our congregation to make these repairs. Please go to the Lord in prayer, and contribute to help repair our Church.

May Jesus bless this church family,
